

## CODE OF CONDUCT

In order to avoid any confusion, we felt it would be helpful to set out the Aquasports Code of Conduct before you arrive. We would like you to read it through along with your parent or guardian and then both (if you are under 18 years of age) sign it and return the slip to use whilst retaining the Code for reference.

- 1. All activities in **BOLD** on the daily programme are compulsory.
- 2. Canvas:
  - No boys in girl’s tents and visa versa
  - No campers in team tents unless invited
  - No interfering with canvas structure (as it is borrowed)
- 3. Water:
  - All swimming to be supervised
  - Personal buoyancy equipment to be worn at all times when in and on the water
  - Stay away from the lakes after dark
  - No-one is to be thrown into the water without permission
  - Take care of younger children near the water
- 4. Social
  - No smoking
  - No drugs
  - No alcohol
  - No interfering with anyone else’s property
  - Enjoy your time at Aquasports

This code has been in operation for many years at Aquasports and has been created to ensure that our community live happily and peacefully together, caring for one another’s needs and developing happy relationships.

If the code is broken in any way, then the Aquasports leadership team will take appropriate action and serious misdemeanours will result you being sent home (see separate Terms of Contact).

We wish everyone a really happy and fulfilling time together at Aquasports.

Yours faithfully,  
Olly and Francisca Rokison(Camp Leaders)
